Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement on a stamped paper for the due performance of the contract in accordance with the estimate for the work. In default, his tender will be considered as cancelled and the earnest money deposited by him forfeited.

6. On acceptance of one of the tenders, the earnest money in respect of rejected tenders will be returned to the depositors.

12. No claim for damages for delays by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays.
